INDEPENDENT AUDITOR'S REPORT

Board of Directors
Bay Cliff Health Camp, Inc.
Big Bay, Michigan

We have audited the accompanying financial statements of Bay Cliff Health Camp, Inc., (a non-profit organization), which comprise the statements of financial position as of December 31, 2014 and 2013, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Our goal is to help you meet yours!

Board of Directors
Bay Cliff Health Camp, Inc.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Bay Cliff Health Camp, Inc., as of December 31, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated April 21, 2015, on our consideration of Bay Cliff Health Camp, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Bay Cliff Health Camp, Inc.'s internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

BAY CLIFF HEALTH CAMP, INC.

December 31, 2014

NOTE A--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Bay Cliff Health Camp, Inc., (Corporation) is a private not-for-profit organization with the primary mission of serving children and adults with disabilities. The Corporation's main program is a seven-week summer session of therapy and camp activities for children with orthopedic, hearing, vision, and speech disabilities. The Corporation also seeks cooperative relationships with other not-for-profit organizations to provide programs for children and adults with many different kinds of disabilities and health challenges, helping them live a better life. The Corporation is governed by a fifteen-member Board of Directors and is funded primarily by charitable contributions.

The financial statements of the Corporation have been prepared on the accrual basis of accounting.

The Corporation reports information regarding its financial position and activities according to three classes of net assets (i.e., unrestricted, temporarily restricted, and permanently restricted) based on the existence or nature of any donor-imposed restrictions. The Corporation has the following asset classes:

Unrestricted Net Assets--Unrestricted net assets are those currently available for use in the activities of the Corporation, under direction of the Board and those invested in land, buildings, and equipment. Board-designated or appropriated amounts are reported as part of the unrestricted class. All funds not classified as temporarily or permanently restricted are recorded as unrestricted net assets.

Temporarily Restricted Net Assets--Temporarily restricted net assets are those assets accepted by the Corporation subject to a stipulation, such as a specific operating purpose, the acquisition of property and equipment, or a time limitation, which causes the assets to be unavailable for current use until those commitments have been fulfilled or time restrictions have been met.

Permanently Restricted Net Assets--Permanently restricted net assets are those funds that are to be invested in perpetuity in accordance with the donor's stipulation.

Cash

Cash includes cash on hand and cash in checking and savings accounts.

NOTES TO FINANCIAL STATEMENTS--Continued

BAY CLIFF HEALTH CAMP, INC.

NOTE A--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Receivables

Revenues earned, but not received, as of December 31, are recorded as accounts receivable on the balance sheet. Interest earned on investments at December 31, but not received, is recorded as accrued interest receivable. In the opinion of management, a provision for doubtful accounts is not necessary because all significant amounts are generally collected within two months of the balance sheet date.

Prepaid Expenses

Advance payments for products or services, which are expected to be used in operations within the next twelve months, are included as prepaid expenses.

Pledges Receivable

Contributions are recognized when the donor makes an unconditional promise to give. When donor restrictions expire (i.e., when a stipulated time restriction ends or other restrictions are met), temporarily restricted net assets are reclassified to unrestricted net assets as "net assets released from restrictions" in the statement of activities. Pledges receivable that are expected to be collected within one year are recorded at net realizable value. Pledges receivable that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The Corporation uses the allowance method to estimate uncollectible pledges receivable based on management's analysis of the pledges receivable outstanding.

Land, Buildings, and Equipment

Land, buildings, and equipment are stated at cost, except for property received as a gift, which is stated at the fair value at the date of the gift.

Depreciation on properties is computed on a straight-line basis over the estimated useful lives of the assets.

Capital items costing in excess of \$1,000 are capitalized. Depreciation has been provided using the straight-line method over the estimated useful lives of the assets as follows:

Land improvements	10-40 years
Buildings	20-40 years
Building improvements	5-20 years
Equipment, furniture, and fixtures	5-10 years

NOTES TO FINANCIAL STATEMENTS--Continued

BAY CLIFF HEALTH CAMP, INC.

NOTE A--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Investments

Investments in equity securities with readily determinable fair values and all investments in debt securities are reported at fair value. Both realized and unrealized gains and losses are included in net gains or losses on investments in the statement of activities. Investments acquired by gift or bequest are recorded at the market value on the date of donation, and thereafter carried in accordance with the above provision.

Accounts Payable and Accrued Expenses

Amounts due for expenses incurred, but not paid, and estimates of obligations for expenses incurred as of December 31, are recorded as accounts payable and accrued expenses.

Donated Services and Materials (Gifts-in-Kind)

Contributed professional services are recognized if the services received a) create or enhance non-financial assets or b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

Additionally, the Corporation receives a significant amount of contributed time that does not meet the two recognition criteria described above. Accordingly, the value of this contributed time has not been determined and is not recorded in the accompanying financial statements.

Contributions of tangible assets are recognized at fair market value when received.

Functional Allocation of Expenses

The costs of providing program services and other activities have been summarized on a functional basis in the statement of functional expenses. Based on estimates made by the Corporation's management, certain costs have been allocated among the program and supporting services benefited.

Estimates

In preparing financial statements, in conformity with accounting principles generally accepted in the United States of America, management must make estimates based on future events that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities as of the date of the financial statements, and revenues and expenses during the reporting period. Actual results could differ from these estimates.

Reclassifications

Certain amounts as of and for the year ended December 31, 2013, have been reclassified to conform to the current year's presentation.

Subsequent Events

Subsequent events were evaluated through April 21, 2015, which is the date the financial statements were available to be issued.

NOTE B--INVESTMENTS--Continued

The following table presents information about the Corporation's investments measured at fair value on a recurring basis at December 31 and the valuation techniques used by the Corporation to determine those fair values. The Corporation uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The FASB ASC 820 Fair Value Measurements establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels:

Level 1: Unadjusted quoted prices in active markets for identical assets that are accessible at the measurement date.

Level 2: Quoted prices for similar assets in active markets; quoted prices for identical or similar assets in markets that are not active; or inputs that are observable, either directly or indirectly.

Level 3: Inputs are unobservable, that is, the inputs are supported by little or no market activity.

NOTE K--BOARD DESIGNATIONS AND NET ASSETS

Designated net assets represent the following:

Evelyn T. Cohodas Memorial Center

All contributions received in memory of Evelyn T. Cohodas are placed in trust with the income designated for operating expenses of the Corporation.

Development Fund for Staff Salary, Program Improvements, and Facility Renovations

The Board has established the Bay Cliff Development Fund, which is a planned giving program that better equips the Corporation to invest and utilize substantial gifts from donors. Contributions not restricted by the donor may be used at the Board's discretion. The Board has designated the use of income from these funds for staff salary, program improvements, and facility renovations.

Board Designated USDA Required Reserve Account:

Funds are required to be set aside into a reserve account to meet the requirements set forth in the USDA security agreement. The USDA has permitted the Corporation to designate a portion of its investment portfolio to meet this reserve requirement.

Total net assets consist of the following:

NOTE L--ENDOWMENT FUNDS

The Corporation's endowment funds consist of two individual funds (Brule and Other). As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions, considering the laws of the state for endowment management.

On September 15, 2009, the Uniform Prudent Management of Institutional Funds Act (UPMIFA) was signed into law in the State of Michigan. The Corporation has interpreted UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Corporation classifies as permanently restricted net assets (a) the original value of gifts to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the applicable donor gift instrument, if applicable. The remaining portion of the donor-restricted endowment fund, that is not classified in permanently restricted net assets, is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Corporation in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Corporation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the endowment fund
- The purposes of the Corporation and the endowment fund
- General economic factors
- The possible effect of inflation or deflation
- The expected total return from income and appreciation of investments
- Other resources of the Corporation
- The investment policy of the Corporation

Brule Endowment

The majority of the Corporation's endowment fund net assets is subject to a donor restriction that is more limiting than state law. On December 31, 2008, the Corporation received a donation in the amount of \$1,000,000 to establish the Brule Endowment Fund (Brule Fund). The Corporation and the donors have entered into a formal "Endowment Fund Agreement" (Agreement). This Agreement cites that the historic dollar value of the Fund shall not be expended. The Corporation may expend realized income (interest and dividends) and net realized appreciation as deemed appropriate. The Agreement prohibits the Corporation from expending unrealized appreciation.

The Agreement allows that the Corporation, at its discretion, may reinvest any net income or net realized appreciation for spending in subsequent periods or the Corporation may elect to allocate any spendable amount to the historic dollar value of the Brule Fund.

BAY CLIFF HEALTH CAMP, INC.

NOTE L--ENDOWMENT FUNDS--Continued

The Corporation has adopted a "Statement of Investment Policy" (Policy) for the Brule Fund assets. The investment objectives are to preserve the purchasing power of the historic dollar value of the Brule Fund through an appropriate allocation to growth investments while generating operating revenues through current investment returns. The Policy sets forth an overall asset allocation guideline, limits concentrations of investments, and prohibits certain types of investments.

The Corporation uses the services of a third-party investment manager. The Policy cites specific investment benchmarks for evaluating the performance of the Brule Fund and the investment manager.

Other Endowment

The Corporation has established an endowment for other permanently endowed gifts. This endowment includes funds where the donor(s) have included a specific purpose restriction (physical therapy program) and funds for which the donor(s) have not included any purpose restriction.

The Corporation's endowment fund net assets consist of the following:

	December 31, 2014			
	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Brule endowment	\$ 134,160		\$ 1,143,236	\$ 1,277,396

INDEPENDENT AUDITORS REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
Bay Cliff Health Camp, Inc.
Big Bay, Michigan

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Bay Cliff Health Camp, Inc., (a nonprofit organization) which comprise the statement of financial position as of December 31, 2014, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated April 21, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Bay Cliff Health Camp, Inc.'s (Corporation) internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Board of Directors
Bay Cliff Health Camp, Inc.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Corporation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Corporation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Corporation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
